Hi Sonnie,

My schedule is pretty packed next week, and I am out of the office Monday and Tuesday. Friday is actually the best day. Can we schedule it for Friday? If not, I can arrange 30 minutes on Wednesday, mid- morning or afternoon. What will we actually be discussing? Do you or your consultant have additional questions? Do you want to provide a list of questions in advance so we can get through the discussion more quickly? Just wondering if there is a way to be most efficient.

Sincerely,

Michele

Michelle,

We would like to schedule a conference call with you next week . What is the best time to set up the conference call with you, Tuesday, Wednesday or Thursday ?

This is to discuss the Elk Hills Power Aquifer Exemption progress.
